### **Budget for 2025**

What We Need to Do: Meet Community Needs.

Keep Expenditures Low While Providing Great Services.

Maximize Tax Dollars because not every taxpayer is a Library patron.

How We Can Do This: Create A Great Budget, let it work for us.

Share the responsibility of the library Fundraising to offset income expenses.

Create programs that work for our community.

Stay on top of technology.

Make advancements throughout the year.

Attend and Participate in Workshops to further our education. (STLS,

Local Libraries)

Stay in the loop about grant proposals

A budget is a trust contract between the Board of Trustees and the Director as a way for all of us to work together without overspending or underspending in one specific area for the best benefit of the library.
