

## Directors Report 1/15/2025

### 2024

FLXGives The 24 fundraising platform raised \$179.15, and we also received a \$100.00 grant that was spent on supplies for the building.

The annual report has started and finished on our end we are waiting for the final numbers from STLS and the report will be finalized.

Overall, we had

	2024	2023	2022
Patrons	3,170	1,138	1,557
Reference	377	410	397
Programs	255	180	146
Participants	2,214	1,192	2,428
Un-sponsored events	38	26	35
Un-sponsored count	1,388	485	1,086
Total patrons/participants	5,384	3,130	3,299

The trends show that that we have slow participation from teens and youth during the year, however the summer program is great value to the community. The adult programs like cooking classes and diamond dotting group have had a great impact in those areas. 2024 was a great year.

### 2025

The new hours have started the changes were September- June Thursday we will be open 2-7pm and then during July and August we will be open 12-5pm.

We have a non-profit pay pal set up now for people wanting to pay digitally for fines, copies, or donations for programs.

Heather and I have worked at putting core monthly programs in place this year. So far, we have:

Book Club scheduled the 2<sup>nd</sup> Thursday of each month except for Summer

Cooking Classes scheduled the 1<sup>st</sup> Wednesday of each month except for Summer

Diamond Painting Nights scheduled for the 4<sup>th</sup> Wednesday of each month except for Summer

A variety of Story Times and Craft Programs are scheduled for each month.

Signup sheets and Facebook events have been scheduled.

I have been updating the website to show all these changes.

We have received our first grant of the year from the Moogan Foundation for \$250.00. This grant does not have designated purpose.
